

Breast Cancer Month

Women make up more than 50 percent of the American workforce.

Approximately 44 percent of those diagnosed with cancer will be employed at the time of their diagnosis.

*Chances are some of those women:
Work with you, or
You know personally, or they are
Someone you love.*

*"When you do nothing, you feel overwhelmed and powerless.
But when you get involved, you feel the sense of hope and accomplishment that comes from knowing you are working to make things better."*
